

STEPHANIE SOLOMON CARGILL, PHD  
3545 Lafayette Ave.  
Salus Center Room 505  
St. Louis, MO 63104  
e-mail: [solomon2@slu.edu](mailto:solomon2@slu.edu)  
phone: (314) 977-1061

### **Current academic appointments**

---

2016-present	Associate Professor	Albert Gnaegi Center for Health Care Ethics Saint Louis University
2010-2016	Assistant Professor	Albert Gnaegi Center for Health Care Ethics Saint Louis University
	Secondary Appt	Community Health, SLU School for Public Health and Social Justice
	And (cross-appointed)	Adjunct Assistant Professor of Medicine Department of Medicine Washington University, St. Louis

### **Administrative Appointments**

---

2015-present	Co-director of Empirical Concentration in PhD Program
2010-present	Creator and Coordinator of SLU's Responsible Conduct of Research program
2013-present	Deputy Chair Institutional Review Board
2010-2013	Institutional Review Board Member

### **Education**

---

Fall 2011- present	Master's in Science in Public Health (in process)
Fall 2008-2010	Postdoctoral Fellowship in Research Ethics, University of Michigan
Fall 2008	Ph.D. (Philosophy), Emory University Dissertation: "Through a Glass Darkly": The Hidden Perspectives That Challenge and Redeem Science's Self-Conception AOS: Bioethics, especially research ethics Philosophy of science/social epistemology
Winter 2001	B.A. (Philosophy), The Ohio State University B.A. (Judaic Studies), The Ohio State University

### **Contributions to Scholarship**

---

Peer-Reviewed Publications
----------------------------

- Goold, SD, Myers CD, Szymecko L, Cunningham C, Martinez S, Campbell T, Rowe Z, Danis M, **Solomon Cargill S**, Kim HM. Priorities for Patient Centered Outcomes Research: The Views of Minority and Underserved Communities. (under review)

- “Recruitment and Training of Community IRB members” Stephanie S. Cargill

**Grants and Contracts**

---

**Ongoing Support**

PCORI Grant PI-12-001 (Good, S, PI) Public Deliberations about Patient-Centered Outcomes Research Priorities Role: Site PI, Co-PI	06/01/12-05/31/14 (7.5%)
1R01AG040138-01 (Good, S, PI) Deliberative Engagement of Communities in Decisions about Research Spending (DECIDERS) Role: Investigator	09/01/2011-08/31/2015 (5%) 5% FY1, 3; 7.5% FY2,4,5

UL1 RR024992 6/1/11-present + contract support  
(Evanoff, B. PI) \$23,719 (2.4 calendar months, 20%)

Washington University Institute for Clinical and Translational Science  
Role: PI, Subaward recipient as RCR course director in Center for Clinical Research Ethics within  
Washington University's Institute for Clinical and Translational Science (CTSA) (5%)

#### Completed Support

UL1RR024986 7/01/2011-6/30/2012  
(Steneck, N. PI) \$23,009 (1.8 calendar months, 15% effort)

Development of a Nationally Implementable, Locally Deliverable Human Research Participants  
Training Workshop for Community-Based Researchers, Collaborators and Staff  
Role: investigator

UL1-RR024986 6/30/08-6/30/10  
NIH \$38,950/yr (\$77,900)  
CTSA grant to Michigan Institute for Clinical and Health Research, University of Michigan.  
Role: Postdoctoral Fellow

U026714 8/09-8/10  
MICHR Pilot Grant \$10,015  
Role: PI  
Pilot study comparing IRB community members and CAB members' views on board dynamics and  
research ethics.

#### Presentations/Interviews

---

May 2016 "Just Decisions: How Underserved Communities Deliberate about Research  
Spending Priorities" CCPH 14<sup>th</sup> International Conference, New Orleans, LA

Feb. 2016 "Voluntariness of Consent to Research" Washington University Medical School

Feb. 2016 PCORI Webinar Series (#2 and #3), national online webinars

Nov. 2015 "The Expansion of the Common Rule" *Revising and Expanding the Scope of the  
Common Rule* Public Symposium, Chicago, IL

Sept 2015 "Defining Human Subjects Research" RCR Ethics Series, Washington University, St.  
Louis, MO

May 2015 "Dissemination of Research Results" HRPO Ethics Series, Washington University, St.  
Louis, MO

April 2015 "'Dangerous' Research: Should it ever be censored?" RCR Ethics Series, Washington  
University, St. Louis, MO

April 2015 "Recruitment for early phase clinical trials: salvation or subterfuge?"  
Otolaryngology Grand Rounds SLU

March 2015 "Research Ethics" talk to SLUCOR PhD students

Jan. 2015 "Education or Advocacy in Scientific Outreach" RCR Ethics Series, Washington  
University, St. Louis, MO

- June 2014 Interview, reported in [http://www.theinvestigativefund.org/blog/1997/mining\\_genetic\\_data\\_for\\_profit/](http://www.theinvestigativefund.org/blog/1997/mining_genetic_data_for_profit/)
- May 2014 "Role Conflicts in Community-Academic Research Partnerships" *CCPH 13<sup>th</sup> International Conference*, Chicago, IL.
- May 2014 "We got (serious) game for community research!" *CCPH 13<sup>th</sup> International Conference*, Chicago, IL.
- Mar. 2014 "Respect and Paternalism in Research" HRPO Ethics Series, Washington University, St. Louis, MO.
- Oct. 2013 "Delivering Research Ethics Education: Strategies for Training Community Research Partners" *ASBH 15<sup>th</sup> Annual Meeting*, Atlanta GA.
- Aug. 2013 "Ethical/Design Issues in Community Engaged Research" Breakout Session, *Science of Community Engaged Research: Future Directions*, CTSA Community Engagement Face-to-Face, Bethesda, MD.
- Aug. 2013 "Informed Consent in the Context of Health/Research Illiteracy-What can we do?" HRPO Ethics Series, Washington University, St. Louis, MO.
- Dec. 2012 "A Nationally Implementable, Locally Deliverable Research Ethics Training Workshop for Community-Based Collaborators" Poster Presentation, *Advancing Ethical Research Conference*, PRIM&R, San Diego, CA.
- Oct. 2012 "What can Biobanks learn from Advance Directives in Clinical Medicine?" *ASBH 14<sup>th</sup> Annual Meeting*, Washington DC.
- Sept. 2012 "Informed Consent in the Context of Health/Research Illiteracy-What can we do?" AND "Vulnerability and Undue Influence-How do we ensure research participation is voluntary?" Keynote speaker at 5<sup>th</sup> Annual Human Subject Protection Conference, Carle Research Institute Champaign Urbana, IL.
- August 2012 "Ethics Protections Training for Community Partners as a Method to Improve Research" Methods, Metrics and Outcomes: Evaluating the Success of Community-Engaged Research, Bethesda, MD.
- June 2012 "Ethics and Issues related to the use of Emerging Technology in Research" HRPO Ethics Series, Washington University, St. Louis, MO.
- April 2012 "Panel Responses on Research and Ethics" Stories of Engagement: Building Partnerships in Health Research, Ann Arbor, MI
- April 2012 "Ethical Protections in community-engaged research: a nationally implementable, locally deliverable training program" *Translational Science 2012: Improving Health Through Research and Training*, Washington DC
- April 2012 "How should we communicate about commercial involvement of Biobanks?" Clinical Research Ethics Key Functioning Committee Face to Face Meeting, Washington DC.
- December 2011 "Ethics of Biobanking: The Views of a National Working Group" *Advancing Ethical Research Conference*, PRIM&R, Baltimore, MD.

- December 2011 "Community/IRB Communication: How can we make this work?" *Advancing Ethical Research Conference*, PRIM&R, Baltimore, MD.
- November 2011 "Negotiating an Alternative IRB training" *Communication in Community-Engaged Research*, JERHRE, Houston, TX.
- October 2011 "Can they Volunteer? Coercion and Undue Inducement in Vulnerable Populations" HRPO Ethics Series, Washington University, St. Louis, MO.
- April 2011 "Mind the Gap: An Advanced Directive/Surrogacy Model for the Relationship between Biobanks and Tissue Donors" ELSI Congress: Exploring the ELSI Universe, University of North Carolina, Chapel Hill, NC.
- April 2011 Ethics Panel at ACRT/SCTS annual meeting
- Sept 2010 "The rationale for public deliberation in health policy and bioethics" *Public Deliberation, Ethics and Health Policy Symposium*, University of Michigan.
- July 2010 "Newborn Screening and Biobanks: Lessons from Michigan." 10th World Congress of Bioethics, Singapore.
- May 2010 "The Views and Experiences of Community members on IRBs and CABs: Preliminary Findings" University of Michigan Bioethics Research Colloquium.
- April 2010 "Designing human subjects protection training for community partners engaged in Research: Challenges and Lessons" JERHRE/CCPH/UT Center for Public Policy Community-Based Participatory Research Workshop "Reducing Barriers Between Researchers and Communities", UT Houston.
- October 2009 "The Impact of Background and Board composition on Community Member Contributions." ASBH Annual Meeting, Washington D.C.
- March 2009 "Epistemic Injustice and Medical Activism: the mixed blessing of lay experts." Feminist Epistemologies, Methodologies, Metaphysics and Science Studies 3 (FEMMSS) Conference at University of South Carolina.
- October 2008 "Too many rationales, not enough reason: the mysterious requirement for lay contributions on IRB boards." University of Michigan Bioethics Seminar.
- June 2008 "Epistemic issues in Collaborative Research" Expanding Interdisciplinarity from Campus to Communities: Exploring Innovation in Collaborative Research at University of Washington, Seattle.
- March 2007 "Assumptions and Expertise: A New Epistemological Justification for Collaborative Methodologies." Philosophy of Social Science Roundtable at the University of South Florida, Tampa.
- February 2007 "Scientific Method and Social Critique: where Scientific and Political Ideals Converge." FEMMSS Conference at Arizona State University.

### **Contributions to Teaching**

---

### **Courses Taught**

Ongoing	RCR monthly workshops Saint Louis University
Fall 2015	Human Research Ethics Saint Louis University
	Ethical and Legal Issues in Clinical Research Washington University
Summer 2015	Public Health Ethics
Spring 2015	Race and Medical Research Saint Louis University
	Ethical and Legal Issues in Clinical Research Washington University
Spring 2014	The Concept of Race in Research and Medicine Saint Louis University
	Ethical and Legal Issues in Clinical Research Washington University
Fall 2014	Research Ethics Saint Louis University
	Ethical and Legal Issues in Clinical Research Washington University
Spring 2013	The Concept of Race in Research and Medicine Saint Louis University
	Ethical and Legal Issues in Clinical Research Washington University
Fall 2012	Public Health Ethics Saint Louis University
	Ethical and Legal Issues in Clinical Research Washington University
Spring 2012	Ethical and Legal Issues in Clinical Research Washington University
Fall 2011	Ethical and Legal Issues in Clinical Research Washington University
	Human Research Ethics Saint Louis University
Summer 2011	Public Health Ethics Saint Louis University

Spring 2010	Ethical and Legal Issues in Clinical Research Washington University
Summer 2010	Science and Values (Responsible Conduct of Research Course) Rackham Summer Institute for Graduate Students University of Michigan
Fall 2009	Philosophy of Medical Ethics Eastern Michigan University
Spring 2007	Introduction to Philosophy Guest lecturer (three classes) Emory University
Spring 2007	Philosophy of Law Academy of Retired Professionals Emory University
Fall 2007	Introduction to Logic (Phil 110) Emory University
July 2007	Emory Emeritus lecture series, Guest speaker "The Economics of Healthcare"
Spring 2007	Bioethics Academy for Retired Professionals Emory University
Fall 2006	Controversies in the Philosophy of Science Academy for Retired Professionals Emory University
Spring 2006	Introduction to Philosophy (Phil 100) Oxford College, Oxford, GA
Spring 2005	Philosophy of Law (Phil 320) (co-teacher) Emory University

### **Professional and Community activities**

---

2014-	Member of faculty admissions committee
Summer 2014	Attended "Educating Scientists in Research Ethics for the 21 <sup>st</sup> Century: A train-the-trainers conference"
2010	Advisory Committee for grant 1R01DA027951 "Transformative approach to reduce research disparities towards drug users" PI Linda Cottler.
2010-2014	Co-Chair CTSA Clinical Research Ethics Key Functioning Committee Biobanking Working Group
2010	Created Training Course for Community Research Partners: Building Research Ethics Capacity and Facilitating IRB Review

2009	Internal Report on challenges of use and oversight with University of Michigan's E-research IRB submission/review program.
Sept 2009	Small group facilitator of deliberative democracy session for "Surrogate Consent for Research with Significant Risks: A Deliberative Democratic Assessment" Part II
2009-2010	Member of MICHHR Community Coordination Council
May 2009	Small group facilitator for deliberative democracy session for "Surrogate Consent for Research with Significant Risks: A Deliberative Democratic Assessment" Part I
2008	Peer-reviewer for <i>Hypatia</i>
July 2008	Completed University of Michigan's PEERRS Human Subjects Courses
January 2008	Completed CITI Human Research Curriculum
October 2007	Attended IRB 101 course, Public Responsibility in Medicine and Research (PRIM&R)
2006-7	Assistant Book Review Editor for <i>The Journal of the History of Philosophy</i> Assistant Book Review Editor for <i>The Journal of Speculative Philosophy</i>
2006	Volunteer at Dekalb County Rape Crisis Center, Atlanta, GA.
2004-5 2003-4	President of Friday Philosophy Forum, Emory's Philosophy Graduate Student organization
March 2005 March 2004	Committee chair, Graduate Philosophy Conference, Emory University
2004	Member of Panel Review Committee of the Society for Student Philosophers (Central APA)
